

Other eresources

Cambridge LibGuides have created an A-Z of databases to which the University subscribes. Search by title or browse by subject!

[libguides.cam.ac.uk/
az/databases](http://libguides.cam.ac.uk/az/databases)

Our website also has a handy table of resources of particular interest to Chemistry.

list-useful-databases](http://www-library.ch.cam.ac.uk/list-useful-databases)

Cambridge LibGuides
Created by librarians to help with a range of tasks, such as using library resources or researching topics.
libguides.cam.ac.uk

CamGuides
Information and digital essentials for studying at the university.
[libguides.cam.ac.uk/
camguides/index](http://libguides.cam.ac.uk/camguides/index)

Navigating paywalls

To find out about browser extensions which will help you seamlessly access articles online - including Lean Library and LibKey - consult this helpful article on the Cambridge University Electronic Collections Management blog.

Welcome to the Chemistry Library

Visit our website for comprehensive information about our space, services, and resources.

www-library.ch.cam.ac.uk

library@ch.cam.ac.uk

If you require this document in a different format (e.g. in different colours or on a plain background) please contact us.

Who are we?

Sara Wallace
(Librarian)

Megan Holman
(Library Assistant)

Where can you find us?

In the Library Office
09:00-17:00
Monday to Friday.

You can also email us at
library@ch.cam.ac.uk

Please feel free to ask us anything!

Navigating our space

On the Library Guides page of our website you can find our annotated library floorplan, which highlights key areas and resources.

Other useful resources on this page include route guides between the Library and the Reception and BMS entrances, and printing guidance.

iDiscover

The Library catalogue is called iDiscover. Use it to:

- View Cambridge University Libraries' print and online collections with a single search.
- Find journal articles, books, ebooks, ejournals, videos, theses, open access content and more.
- Filter and refine searches by location, format, date of publication and more.

Search the catalogue:
idiscover.lib.cam.ac.uk
